

PRAYER REQUESTS FOR AFRICAN MINISTRY 2010

1. Please pray for funds to come in to purchase necessary Bibles, NT's, and much needed food.
2. Pray for Elizabeth Mumbi and the street children at the Destiny Hope Orphanage in Kitale, Kenya.
3. Pray for the students at African Theological Seminary (ATS) as they seek to complete their training in the midst of tremendous turmoil in the country.
4. Pray for the Maasai pastors as they seek to care for the spiritual and material needs of their flocks.
5. Pray for Pastor Elias Ntoipo as he leads the Maasai pastors in his area, and also as he endeavors to plant new churches in the area of Amboseli Game park. Many in this area are not believers and have never heard the Word.
6. Pray for the Maasai women's literacy program, and that many more may get involved.
7. Pray for the students and for me as I teach the book of Genesis at ATS seminary, and then as I hold several seminars on the following subjects out in the bush among the Maasai pastors:
 - a. Discipleship, Discipling, and mentoring.
 - b. The book of Romans.
 - c. The Hard Cultural Issues and how to deal with them.
 - d. What you can do to help your pastor.
 - e. Survey of Biblical Theology.
8. Pray that God will provide the necessary skill to ride his new motorcycle for Pastor Isaiah. He has recently established a new church out in the bush, and has now been assigned an additional parish to shepherd which is more than 20 miles away from his home. He will encounter many dangers as he travels between these churches.
9. Pray for the volatile political situation in Kenya.
10. Pray for Bev in my absence, and that God will watch over her.
11. Pray for more laborers among the Maasai to reach their own tribes people for Christ.
12. Pray that the pastors I'll be teaching will not become discouraged with all the problems in their country, and that they will keep their focus sharply fixed upon God and His work as they continue to serve the King.
- 13.

Your servant and His, for Christ & His Kingdom - Pastor Jerry Moritz
